

Connecting Your Airbnb Calendar

A Quick Guide

Ensuring up to date availability on your HouseStay Listing has never been easier. That's we've made this handy guide on how to connect your Airbnb iCal link to your HouseStay listing.

Step 1

Listings [View calendar](#)

[Listing details](#) [Booking settings](#) [Pricing](#) [Availability](#) [Local laws](#) [Co-hosts](#)

Reservation preferences [Edit](#)

Advance notice Same day

Preparation time None

Booking window Dates unavailable by default

Trip length [Edit](#)

Minimum stay 1 night

Maximum stay 1125 nights

Additional requirements None

Sync calendars

[Import Calendar](#) [Export Calendar](#)

On the listing you want to connect, click **Manage Listing**. There, click the **Availability** tab. At the bottom of the page is the **Export Calendar** link.

A popup box will appear with your **iCal link**. Please copy this link so that we can paste it into your HouseStay Calendar.

Step 2

Export Calendar [×](#)

Copy and paste the link into other ICAL applications

<https://www.airbnb.com/calendar/ical/5958680.ics?s=7691ffc8b83c91f>

Copy this link

Connecting Your Airbnb Calendar

A Quick Guide

Step 3

< > May 2017 ▾ * To select multiple dates, click on an available date and slide the handles left or right.

Mon	Tue	Wed	Thu	Fri	Sat	Sun
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19 Today	20	21
22	23	24	25	26	27	28
29	30	31	1	2	3	4

Import Calendar Sync with other calendars Export Calendar

Click here

In the popup box, paste the copied link under **Calendar Address**. Naming the calendar is optional and then click **Import**.

Step 4

Import a New Calendar ✕

Import other calendars you use and we'll automatically keep this listing's availability up-to-date.

Calendar Address (URL)

Paste calendar address (URL) here

Name Your Calendar

Custom name for this calendar

Import Calendar

Step 5

Import Calendar Sync with other calendars Export Calendar

Click here

Once you've imported the calendar, click the **Sync with other calendars** button to connect to the Airbnb link. And you're done!
